

2011 Curriculum Priorities

The 2011 Curriculum Priorities survey was sent out open from February 3 – February 21, 2011. Initial notice was sent out to State 4-H Program Leaders and State 4-H Curriculum Contacts on February 3rd; a reminder notice was sent out on February 14th. Responses were obtained from 33 states, the District of Columbia, and two territories.

The National Curriculum Working Group (CWG) will use this information, in conjunction with the mission mandate and professional development teams, to develop strategies (and funding as needed) to address these prioritized needs.
